

# Turning the Tide on BC's Coastal Law

Let's talk about how British Columbia's laws fall short on protecting marine ecosystems and how you can influence change.

April 11, 2024

12:00 – 1:00 PM PST

[cpawsbc.org/events](https://cpawsbc.org/events)

Live on Zoom

## MEET ESTELLA

### **Estella White - ɥińačacišt (she/her) Staff Lawyer, West Coast Environmental Law**

Estella is a lawyer at West Coast Environmental Law, whose current practice focuses on advancing Indigenous law, governance and rights through Indigenous-led conservation and stewardship, including Indigenous Protected and Conserved Areas (IPCAs).

## MEET MICHAEL

### **Michael Bissonette (he/him) Staff Lawyer, West Coast Environmental Law**

Michael is a staff lawyer at West Coast Environmental Law, where he works on marine law issues. Michael is also a co-author of the book “Protecting the Coast and Ocean: a guide to marine conservation law in British Columbia” which was published last year by UBC Press.
